

ZOO WALK

SEPT 8

Sponsorship Proposal

The **Dystonia Bronx Zoo Walk** is an exciting event set to take place at the Bronx Zoo on Sunday, September 8, 2019. This special event will benefit the work of the **Dystonia Medical Research Foundation (DMRF)**. When you participate in one of our zoo walks, you are making a positive impact in the lives of those affected by dystonia by helping raise funds to support our mission to advance research while providing information and support to families impacted by all forms of dystonia.

Dystonia is a movement disorder that causes the muscles to contract and spasm involuntarily. Opposing muscles often contract simultaneously as if they are 'competing' for control of a body part. These involuntary contractions force the body into repetitive and twisting movements and irregular postures. There are multiple forms of dystonia and the disorder affects children and adults of all ages and backgrounds.

Dystonia Zoo Walks are unique events with a "twist" on traditional charity walks. Dystonia Zoo Walks do not have a formal walking course – in fact participants don't have to walk at all. Dystonia Zoo Walks are family-friendly community events to raise awareness of dystonia, a little-known neurological disorder, and to support the work of the DMRF. Participant teams at Zoo Walks represent families impacted by dystonia, their friends and colleagues, and local healthcare institutions. Participants enjoy festivities directed to a family audience and then are free to enjoy the zoo at their leisure, raising awareness with their t-shirts. The walks raise awareness of this disorder and funds for research in communities across the country.

Families throughout the New York area affected with various forms of dystonia from childhood to adult onset, have joined together to organize this Dystonia Zoo Walk. Everyday life is challenging for many of them, but they are hoping to spread awareness, to support their loved ones and to generate donations for the DMRF and support our mission to make the freedom to move a reality for everyone. **On behalf of the planning committee, we ask that you consider supporting this event and ultimately all those impacted by this debilitating disorder.**

Bronx Dystonia Zoo Walk – Sept 8
